President's Message

Hi Everyone,

Last weekend I quilted three more outreach quilts. I have one layered and pinned ready to quilt, that leaves only one more to quilt then we will finally be caught up with the backlog. Woo Whoo!! I want to thank everyone who has taken on quilting and binding these quilts, they look great.

I hope that someone will **PLEASE** take on the Executive position of Community Outreach this September. Anne Balanyk and Elaine Sylvester have done a great job of filling in, but they do not want to be on the Executive Board which we really do need. We store our Outreach stuff at the Trinity United Church in Acton so you don't need to worry about space at your home. It is a rewarding position and a great way to meet members of our Guild.

We will also have Treasurer, Newsletter Editor, Publicity and Secretary Executive positions to be filled for Sept 2017.

FYI, I will be putting forth a motion at the June AGM to have the Executive position of Historian altered to be Website Administrator/ Historian since we are keeping records electronically on the site now.

I have given our www.hhqg.ca website an new look, so please check it out.

At the April 24th meeting we will have a ballot vote on:

Would you like Daytime HHQG meetings? This would mean finding a new location, probably in Georgetown, not on a Monday and at a higher cost. The ballots will be handed out at the beginning of the meeting and I will collect them at the break.

Business, business, business, now that is out of the way I can get back to my sewing room.

See you soon.

Retreat

Ladies, I have booked the guild's spring retreat at Crieff for April 9-11 2018, early enough to give everyone a chance to check your schedules and reserve your spot. The Luke building takes only 18 people so it will be on a first come basis. Please let me know ASAP.

Thank you,
Judy Mair

Quilt Show Volunteers 2017

Susan FitzGerald & I are representing the volunteers of our Oct. 13 & 14, 2017 Quilt Show called 'Canada Strong & Quilting'

Each member of our guild has both the privilege & responsibility of supporting our show.

Each one of our membership of 49 is needed to make the show a success.

If you can't make it yourself to help, then please ask someone to fill-in for you.

Part of submitting a quilt to the show, is the role of volunteering.

Each one of us needs to find a spot where we are comfortable.

Our volunteer sign-up sheets will be available at our May guild meeting.

Susan & I would like you to start thinking about your role in helping.

Thursday, Oct. 12 is our setting up day. Friday, we are open from 10:00a.m. to 5:00p.m.

Sat., we run from 10 to 4. Our shifts are from 10:00 a.m. to 1:00 p.m.

and 1:00 p.m. to 4:00/5:00 p.m. We will gather 15 minutes before our start time.

Let's start thinking about the way we can help out as volunteers. Thanks.

Joyce Rawes

Block of the Month

The last two Blocks of the Month are introduced this month. Probably best to think of them as both being May blocks because the draw for the 10 sets will take place at our May meeting for reasons already admitted to.

A member has asked whether you have to be at the May meeting to claim a set of blocks if your name is drawn. You do not have to be at the May meeting. If your name is drawn, I will hold the blocks, notify you after the meeting and make arrangements for pick up. Same rules as for everyone else, you can only win one set. Once your name is drawn and you have won a set of blocks, if your name is drawn in subsequent draws another name will be drawn to find the winner.

Thanks to everyone who has participated so far. We have 17 blocks submitted already for one of the 12 ½" x 12 ½ " blocks, enough for a lap sized quilt. There's still time to start. You have until the night of the May meeting to submit your creations. But meanwhile, please bring any completed blocks to the April meeting to allow as much of the preparation as possible for the draws to be done before the May meeting.

Members' Boutique

As you clean out your sewing room (spring cleaning) think about what you can donate to the guild for the Members' Boutique (it's like a store within the quilt show) I am collecting fabric (cotton) fat quarters, metres, 6 inch squares, 2 1/2 inch strips x WOF, magazines, scraps for scrap bags (must be a good size), thread, items you do not use anymore. All items must be in good shape.

Also, think about making a little bit of money, by selling some of your work: table runners, baby quilts, coffee bag holders etc. the guild will take 20%. No items larger than a lap quilt. If you do knitting, make jewelry, folk art, etc. you can sell those too. Any questions: annequilt64@hotmail.com

Outreach Day

We had a wonderful day of sewing. There were ten of us, with lots of laugher as we finished each baby bib and modeled it. There were some new quilters that joined us, its a great way to get to know people. We came home with 33 baby bibs finished and a dozen pencilcase/makeup bags.

A lot of kits quilters took home to finish more.

Thank you everyone.

Anne Balanyk

Adding a Hanging Sleeve

1. Cut a 10"-wide strip of washed muslin or cotton fabric, making it 1" shorter than top edge of quilt.

2. Turn under and press ½" at each short end, then turn and press again (**Diagram I**). Stitch in place.

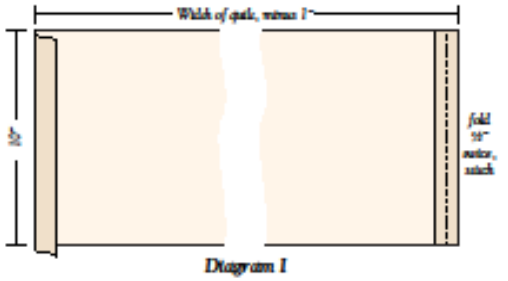

Diagram I

3. With wrong sides together, stitch long edges together ¼" from raw edges (**Diagram II**).

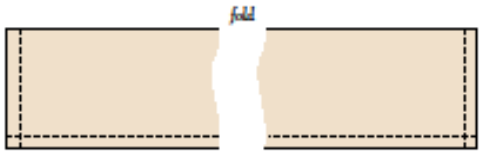

Diagram II

Press seam open and center it in the tube you've created (**Diagram III**).

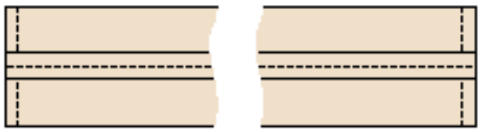

Diagram III

4. Slipstitch the top edge of the tube to the quilt backing about 1" below the inner edge of the binding (**Diagram IV**).

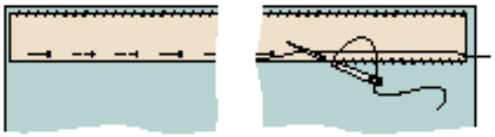

Diagram IV

5. Pin lower edge of sleeve to backing, placing pins ¼" from lower edge. Turn the folded sleeve edge up and slipstitch sleeve to quilt backing, catching only the lower layer of sleeve (**Diagram IV**). This allows for a little slack so the sleeve takes the weight of hanging, not the quilt. Make sure that the stitches go through only the backing fabric—they should not be visible on the quilt surface.

6. Slip a rod or strip of lath through sleeve and hang in desired location on nails or decorative brackets.
