President-- Ida Jenkins:

Ida started the meeting at 7:03 pm and welcomed the members. She noted that tonight we will be sewing for Outreach and kept the business short. She asked to have one of the members accept the Minutes of October's meeting. The minutes were accepted by Maryann Ellwood and seconded by Margaret Newey.

Jane Symmes- Workshop:

Jane informed the members that the Cathedral Window by Machine workshop will be offered Jan 27th, 2024, at the Optimist Club (13439 Trafalgar RR3 -Hwy 7 and 22nd side road). There is a \$100.00 charge to rent the hall for the day. The individual charge will depend on interest. Please sign up on the sheet available.

Barbara Shein- Newsletter:

Barbara noted that the deadline to contribute to the next newsletter is Jan 5th. She thanked the members for their recent newsletter contributions. People found them interesting.

Irene Rushworth- Outreach:

Irene introduced the main event for the evening. The sewing for Outreach. The members were already sitting at their tables ready to go. Irene asked the groups to come up and choose a Pattern/Kit to work on. Each Kit had precut fabric and directions. Anyone with spare time was encouraged do some cutting to make up future Outreach Kits. Members were encouraged to take the project home and complete the flimsy for the April 2024 meeting.

The members got to work and had to be encouraged to take a break for a treat and a coffee!

Ida noted that she and Jane had spent time pricing all the Guild library books. The books were priced based on what they would sell online for, as a used book, and then discounted 20% for members. The book list will be made available to the members, and anyone interested should indicate that they want to buy the book. It will be first come first serve for book purchases.

The 50/50 draw raised \$89.00 total and was won by Joyce Rawes. \$44.50 will go to Joyce and \$44.50 will go to the Guild. The Christmas themed fat quarters were won by Brenda Mathies. The member attendance fat quarter draw was won by Jane Symmes and Ruth Lawrence.

The members enjoyed a show and share, and the meeting finished at 9:15 pm.
