President's Message

Our June meeting is almost upon us and there is a glaring opening in your Executive Committee. Lisa Rossetti would love to hand over the reigns of Program, but no amount of coercion on my part has brought forth a candidate. Even though the program for 2011-2012 has been scheduled, this key position should be filled. The same group of volunteers can't continue year after year. This position can be handled by one or shared with another. It's always nice to work as a team. The job gets done with half the work. Please, think about joining a great group of ladies on your Executive. Donna Thoms is joining Dodie at the Membership desk. Daphne Hookey has offered to work with Janet Kasper as Treasurer. Joyce Winger agreed to take on the task of Newsletter and Vera Langedyk has decided to change positions and become the Historian. Please welcome these ladies to your 2011-2012 Executive, and wish them luck.

I'm sure that you are all looking forward to our Annual General Meeting. We will be discussing what has happened over the past year, as well as presenting the new budget. To entice you to attend, we will also share a finger-food potluck. The executive will provide punch.

As the saying goes, "How quickly time flies". The first year of my term as your President is coming to an end. With that, the President's "Initial" Challenge is due. I can't wait to have your challenges displayed for all to see.

I don't usually like to speak of the weather as it just fills in space, however as I'm writing, it's almost 41 degrees with the humidity. I don't have air conditioning in my home, but my studio in the basement is very cool - just the perfect retreat. Speaking of retreat, please contact Helen Dubeau to sign up for the November 29th to December 1st Retreat. The quilt show will be over and you'll be looking for another creative outlet. It's also the perfect time to get last minute holiday gifts completed.

To those of you that will not be able to make it to the June meeting, have a wonderful summer, and keep quilting so that you will have a multitude of items to display at our Quilt Show in October.

Pssst - please keep the chatter, during our meetings, to less than a dull roar. Sometimes it's difficult to keep up with the program when we can't hear what's going on. Let's make our meetings enjoyable for all. Thanks for your understanding.

Elm Creek Sampler Bee

The Elm Creek bee based on Sylvia's Bridal Sampler book is meeting regularly once a month to get instructions on making the blocks, share blocks we have completed and build friendships. We are meeting at homes of the women who are in the group.

We hope you will join us whether you are interested in making several of the blocks, many, or want the challenge of completing the whole quilt. Although the group has been meeting for a few months it is never too late to start. We are all at different stages of making the blocks and have lots of advice to share. For more information please contact Susan Schavo at 519-853-9948 or susanschavo@cogeco.ca.

Quilts for Japan

Email received from Patti Carey of Northcott to Helen Dubeau regarding the quilts for Japan project:

"The final count on the number of quilts is 1544 - absolutely outstanding! There are some great pictures on my blog - you might want to take a look. It's www.pattispatchwork.com We have finalized all of the paperwork for the shipment of 6 skids of quilts weighing 2700lbs, and they are leaving our warehouse on June 1 to arrive at Patchwork Quilting Tsuchin on June 24. We are so grateful for the support of Canadian quilters. I had high hopes that we could collect 1000 quilts, so I am over the moon with our final total."

Postcards

Hi everyone

Next year we hope to change things up just a little. Instead of doing a tinners' exchange we were thinking of doing a postcard exchange. Thanks for the idea Judy. I will be organizing things. If we can get enough people here's how it would work. If you sign up you are agreeing to make one postcard for each person on the list size 4 by 6 inches. They can all be the same or different. They can be stitched, painted, steam-a-seamed, traditional, fiber art, or even one piece of fabric. You can back them in cardboard or fabric. It's your choice. All that I insist on is that they be stitched around the outside edge of the card to finish them off.

You will have the option to mail them to everyone or you can give them out at the meetings. The exchange will start in September and you will need to have them all finished by the June meeting. I would also ask everyone to bring all of their cards to display at that meeting.

Post cards are quick and easy to make and a great way to try out new techniques or to use up single blocks you don't know what to do with. Mailing them is fun. For once your friends will get something in the mail besides a bill. Canada Post has no problem with these cards. I've sent lots of them.

I will have the sign up list at the next meeting. If you have any questions e-mail or call me and I will be happy to explain anything. I will have my postcards at the next meeting for you to check out. See everyone in June.

Treasurer's Report

Hello Ladies:

I would like to welcome Daphne to the fold! Daphne will be helping me with the books next year so that she can learn how to do them the following year. Welcome, Daphne and thank you for taking this on.

The Annual Report is ready for you to view. I am happy to report that in spite of the \$3,400.00 loss that was predicted by our budget for this past year - thanks to some frugal living and your generosity in donations for the raffle quilt etc. we have come out of the year with only a \$1,600.00 loss. Regarding the Quilt Show account, keep in mind at this point we still have a lot of our original seed money for the Quilt Show unspent since our venue has been generous enough to hold our cheques until after the event. This expense will show in next year's financial statement. However, as long as we continue to be frugal we will be in good shape for the future. I look forward to my last year as treasurer and having Daphne with me to train.

Thanks for a good year! Have a safe and happy summer!

Outreach

Hi Ladies,

What a wonderful Outreach Challenge we had! Prizes went to Judy Makinson, Sheilagh Yuschyshyn and Lee Wood. What a surprise to see how each person used the fabric they were given. Each and every quilt was a winner. For all who participated a heartfelt thank you for your support. Just think of the hearts you will be warming long after we have forgotten what we have made.

This year we have made about 40-50 quilts that will be saved and given out after the quilt show. I am contacting different organizations now to see where they might go, any suggestions would be welcome. "50 quilts! that's too many" I have heard. Our mandate for the guild is outreach and education. There is a need for that many quilts and we have the means to fulfill that need. I am talking with an organization that will require replacement quilts as the ones they get are passed out. It is too early to say the arrangement is final but it will be geared to those who are in need.

I offer sincere gratitude to everyone who made this year's Outreach Program pure joy. What a treat that we can work together and enjoy the process, and pass the joy [in the form of a quilt] onto someone else that does not have the ability at this time in their lives to do it for themselves. It is surely one of the blessings in our lives.

A reminder that we are still working Wednesdays at Vicki's so call me if you would like to help finish up this years work. 905-876-4976. We will also be working on a quilt for "The Darling Home For Children" and help will be most welcome.

The Darling Home for Kids, a home on 15 Sideroad, West of Highway 25, for paediatric care and respite for families in Ontario who have children with life limiting or life threatening illnesses requiring complex care and/or technology dependent care, has asked that we make them a quilt they can auction at their annual fund raising Gala in November. Visit their site at:

www.darlinghomeforkids.ca

Enjoy your summer, keep quilting, see you in September.

Program

Our June program will be our Annual General Meeting, Pot Luck and President's Challenge. Also, I wanted to remind everyone that I am looking for a replacement as I need to step down due to personal reasons... Marion, Flo and I will all be very happy to help whoever takes over. It's really a fun job and not hard at all...and as a bonus you get to meet some amazing artists and choose who will be invited to come to our guild. The program is all taken care of for the 2011-2012 term except for April 2012 and I am working on that so you won't really have much to worry about! If you would like to get more information about the position please give me a call at home ...905-796-8102.

I also wanted to let everyone know what is scheduled for the 2011-2012 programs.

A big thank you to Joyce Winger who will be your new Newsletter Editor for 2011-12. It has been a fun three years of creating the newsletter for you but time for me to try my hand at something else. I will still be at the meetings with camera in hand to capture all those beautiful show and share items and also as Historian to try to take lots of photos to record the history of our guild. I'm hoping to have a photo history of our 20th Anniversary Quilt Show from start to finish. (now there's a project for me).

For your information, the newsletter editor will accept submissions from the membership up to the first Wednesday of each month for publication in the newsletter on the first weekend of each month. If you have something you would like to share with the membership, hints, recipes, etc. please email in ample time for the monthly newsletter. Have a wonderful summer everyone and see you in September.

LESSON AT McCallsQuilting.com

ADDING A HANGING SLEEVE

1. Cut a 10"-wide strip of washed muslin or cotton fabric, making it 1" shorter than top edge of quilt.

2. Turn under and press $\frac{1}{2}$ " at each short end, then turn and press again (**Diagram I**). Stitch in place.

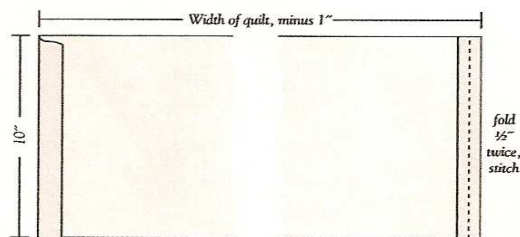

Diagram I

3. With wrong sides together, stitch long edges together $\frac{1}{4}$ " from raw edges (**Diagram II**).

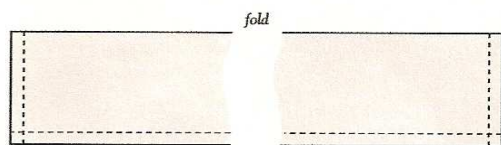

Diagram II

Press seam open and center it in the tube you've created (**Diagram III**).

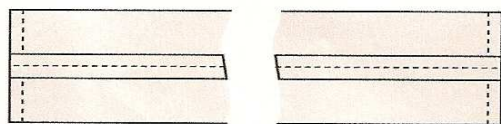

Diagram III

4. Slipstitch the top edge of the tube to the quilt backing about 1" below the inner edge of the binding (**Diagram IV**).

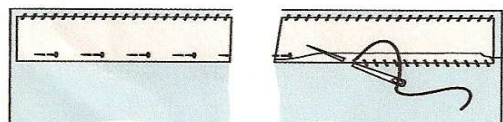

Diagram IV

5. Pin lower edge of sleeve to backing, placing pins $\frac{1}{4}$ " from lower edge. Turn the folded sleeve edge up and slipstitch sleeve to quilt backing, catching only the lower layer of sleeve (**Diagram IV**). This allows for a little slack so the sleeve takes the weight of hanging, not the quilt. Make sure that the stitches go through only the backing fabric—they should not be visible on the quilt surface.

6. Slip a rod or strip of lath through sleeve and hang in desired location on nails or decorative brackets.

Quilts and items for the tea room are to be dropped off at the Croatian Centre on Thursday Oct. 13 at 9 a.m. Any questions about quilt drop off should be directed to Lynda Manor.

Volunteers

In order to submit quilts to the show you must commit to a 2 ½ hour volunteer shift.

We have many different types of volunteer positions which require both sitting and standing. There will be a sign-up sheet at the June meeting. If you are unable to do a shift on either of

the show days you will be asked to find someone to do it for you. *Hint-* ask anyone on the quilt show committee.

You must also be a member in good standing of the Halton Hills Quilters Guild in order to submit quilts.
