## President's Message

Hi all! We've come to the end of our guild 2021/22 year.....didn't that go by really fast? I can hardly believe it.

I want to thank everyone for making this year a good one! I appreciate all the work that the executives did to make this year run smoothly and their guidance in helping me through my new role as president this year. Without them, we would not have a guild. Thank you Sue, Judy, Joan, Dodie, Margaret, and Sheilagh.

A special thank you to Irene for her past 4 years as program and newsletter coordinator. I enjoyed the wide variety of speakers you were able to present and the newsletters were over the top! It shows that you enjoyed creating the pages that all of us members enjoyed reading. You did a fabulous job Irene!! I also want to thank Melinda for agreeing to take on the role of program. I can't wait to see what you have up your sleeves for the upcoming year and I look forward to it.

Another special thank you goes out to June for the many years you have taken care of Hearts & Hugs. Many members have enjoyed the special cards from you, on behalf of the guild, sent with well wishes and knowing that others are thinking of them and would provide support if needed. Thank you June. We also thank Elaine for agreeing to take on Hearts & Hugs.

There are still positions that need to be filled. Please consider joining the executive!

For now we take a break for the summer, get outside to enjoy it, take long walks, do some gardening, or whatever activities you personally enjoy. It's the time of year to relax some, have some summer fun and enjoy BBQs with family and friends. So, take care everyone and keep safe. Look forward to getting together again in September.

Thank you, Ida

## Program - Irene Rushworth

This month our Program is: All things **AGM!!**

**program**

**B I N G O** anyone??!!!

You will be receiving an individualized electronically generated bingo card!!!  
The **B I N G O** card will be emailed to each member prior to the meeting by Margaret.  
For those of you that don't have a printer, you can draw out a grid and write your own card out by copying the squares from the emailed card.

Be sure to have something to mark off your **B I N G O** card during the meeting!!

**Good Luck!!!**

No! My quilt  
is not  
Finished!  
& I'd appreciate it  
if you'd stop  
using the  
F word  
in my sewing room!

**Calling all Members:**

Let's see your **BEST & WORST** Quilts!!!

We are going to have a **SUPER-SIZED** shown and share and we would like each member to participate! Send 2 pictures - one of your best quilt and one of your worst quilt.....

There are usually *stories* around the quilts we make - the Good, the Bad and the Ugly!!! There will be room for a description of why it is the 'Best' or the 'Worst' Quilt, so be sure to include a couple of sentences to share the reason for your choices!!!

### 2021 - 2022 Post Card Exchange - Margaret Newey

Our postcard exchange is coming to an end and all your postcards should be mailed in good time to reach the recipient before our June meeting on the 27th.

For those who have already sent your postcards - thank you. For anyone that has not - time to get a wiggle on!

I would appreciate it if you could email photos of all the 2021-22 cards that you have received, so that I can put together a photo montage for our show and share at the meeting

### Treasury Report - Judy Mair

Please review the attached year-ending reports for our guild year 2021-2022 and if you have any questions they will be answered at next meeting.

As this is my last year to serve as your treasure, I would like to thank everyone for their support for the past two years.

Wishing the best to our next treasurer.....Judy

### Links2Care - Pearl Sawden

If you are looking for a quick and easy project over the summer break please consider making tray mats for the Links2Care (Meals on Wheels) service that we support.

The dimensions are 12w x 9h and can be quilted any way you like, even using up old orphan blocks that you don't know what to do with.

These are donated at the end of the year and put on the Christmas meal trays.

I've been told many of the recipients use them to put flowers or plants on or a bowl of candies or nuts and others use them as a mug rug for their tea or coffee.

People seem to enjoy receiving them.

Thank you so much for making some, I do appreciate it.

### Membership - Margaret Newey

**We now have 58 members.**

As our guild year is drawing to a close I would like to thank you all for making my first year as your membership convener such fun!

At our last zoom meeting we had 32 members online. **Congratulations to Joyce Rawes** as the winner of our first zoom FQ member in attendance draw.

Our 2022-2023 membership form should have already arrived in your email, if not please reach out to me and I will forward you a new copy.

**I am pleased to let you know that we will offering a discounted membership fee of \$30 for this coming membership year.**

I hope that you will all continue to enjoy the benefits of being part of our quilting community and I look forward to being with you "virtually" at all our monthly meetings, sew and chat days and workshops.

## Scrap Happiness 2021 - 2022

Many of you know me, and you know that I am very happy playing for hours with my scraps. So I'm sure it is not a surprise to make scraps a part of my challenge!

I want you to use as many scraps as you wish, the **minimum being 15 different fabrics**. They don't have to be big, they only have to have variety. It could be different colours or monochromatic with different textures of the same or similar colours, but at least 15 different fabric.

What I want you to do with those fabrics is **design a piece that represents the bright side of Covid**. Maybe during the

isolation, you **learned something new about yourself** that helped you get through the days, maybe you **learned a new way of life**, like calm, taking it slow, enjoying all the little things, taking care of you and your family. It could be that things were tight and you learned to appreciate what you have, frugality and finding better ways of making do.

But if you can't find a positive in this situation, maybe your scrap happiness is the thoughts of what you want to do when things return to somewhat normal. Will you **take a long overdue vacation**, **party with friends and family**, **go quilt shop hopping**.

Share your story!! Whatever it is that makes you happy, I want you to make some scrap happiness! Ida

If you are like me, sometimes it is a struggle to figure out how to use panels and make them look interesting! So, I thought I would do a scan for ideas to border Panels! I have put the link for the location where I found the panel idea, for a closer look!
